COMPANY PROFILE

With more than ten years of experience in the broadcast market, COTELUX LIGHTING is a leading Spanish manufacturer of professional lighting systems for television studios, photography, cinema, ENG or videoconference, based in cool-soft fluorescent light. Other new systems based in L.E.D. technology are also being incorporated to the wide range of products COTELUX LIGHTING offers to its clients.

Products:

- Cotelux STUDIO
- Cotelux LOCATION
- Cotelux FILM
- Cotelux ARCHITECTURAL

OBJECTIVES FOR IBC 2007

To continue with the commercial relations that have settled down, on a par that to be open to possible new clients.
