COMPANY PROFILE

Casbar Tecnología Industrial is one of the leading European companies in design, engineering and manufacturing of outdoor cabinets, 19" racks, ETSI racks and subracks for telecommunication, IT and electronic sectors.

Casbar is ISO 9001 and 14001 certified company.

Casbar offers wide range of products and complete solutions in design, manufacturing and integration of outdoor cabinets, 19" racks, 19" wall mounted cabinets, ETSI racks, underground containers, sub-racks, fibre optic solutions and different kind of special solutions.

Casbar is also offering engineering services to make custom designs and fully integrated complete solutions. This department is offering services from design of hardware to functional tests and industrialisation of products. The integration part includes energy, batteries, cabling, cooling and power solutions.
